Glo mobile llc

Glo mobile llc uses airbrush equipment and solution manufactured by Norvell. The Norvell Amber Sun solution DHA (a sugar cane derivative that stains the outer layer of the skin for 4-10 days) contains a temporary cosmetic bronzer and several skin conditioners such as aloe. Dynamic color begins to develop within 4 hours of application but will need to remain on your skin for at least 8 hours for maximum results. Do not shower, work out, or swim for a minimum of 8 hours. Do not rub skin vigorously or apply lotions until the following day. If you have purchased a guaranteed tan package, you may return within 48 hours for a free touch up on areas that visibly show error in technician or solution. We recommend the use of the Norvell after care products to maintain the life of your tan. The results and life of your tan will depend greatly on how you manage your skin before and after application of the DHA solution.

Airbrush Spray Tanning Waiver/Release

Airbrush tanning and all products are non-refundable.

I hereby agree for a spray tan technician/employee of **Glo mobile llc** to administer application of DHA (Dihydroxyacetone) self-tanning fluid by method of airbrush to my body. I understand that DHA and the cosmetic bronzer used in the spray gun have staining properties that may affect skin, hair, and clothing. I also understand DHA is derived from Sugar Cane and is an FDA approved liquid used to temporarily stain the skin for cosmetic purposes. The FDA recommends that you take the following measures to protect against ingestion or inhalation during your sunless session by using eye protection, nose filters, sealing lips with lip balm, and protective undergarments.

I hereby confirm that no warranty or guarantee, or other assurance, has been made to me regarding the results of DHA with my individual skin, and I hereby relieve **Glo mobile llc**, any employee, owner or independent contractor, from all liability for unsatisfactory results, clothing stains or any related damages that may occur.

I fully understand that the administration of the spray tanning process, including adverse skin reaction, side effects and cosmetic results, to which I am consenting, is not an exact science and that no guarantees have been made to me.

Glo mobile llc reserves the right to refuse the administration of spray tan if deemed necessary.

My signature below constitutes my acknowledgement that I have read, understand and fully agree to the foregoing consent, and hereby give my authorization and consent.
